

Title: Connaught Street,
Athlone,
Co. Westmeath

Contractor: FK Construction Ltd.
Moate,
Co. Westmeath

Engineer: O'Connor Sutton
Cronin

Description:

Quinn Piling installed 470 number CFA piles from 350 mm diameter to 600mm diameter for an new apartment development in the heart of Athlone, County Westmeath. We closely worked with F K Construction and O'Connor Sutton Cronin to bring a value engineered solution with substantial saving to the piling element of the works.
